"EAGLE PRIDE" MARCHING BAND**

Hello!

You are receiving this because you have registered for BAND or ORCHESTRA at O'Connor HS. This letter is an **INVITATION TO AUDITION** for the EAGLE PRIDE MARCHING BAND and we WANT YOU! This year we are doing auditions in MAY, before school is out, so you have all summer to practice on your own and get together with your section for fun bonding activities if you are in town. Orchestra members make FANTASTIC percussionists/piano players which are highly sought after! In this letter you will find LOTS of valuable information, dates, and answers to questions you may have. **PLEASE READ IT ALL ☺** At O'Connor you are NOT required to do marching band to be in band or orchestra, however I believe you will find it is the best way to make new friends, travel, and be part of one of O'Connor High School's most successful programs, Top 10 Bands in the State each year and the 2014 State Champions!

I want to make sure you make an educated decision about the commitment involved in the Marching Band. It is EXTREMELY rewarding. Being a member of the Marching Band will be very different from ANY previous music experience because the time and work that goes into making a successful marching band really builds incredible character, dedication, friendships and a sense of "team" that you will never forget. The bond that you will have with each other by the end of the season will far exceed what you can even imagine right now. This is also the best way to make friends before school even starts. Whether a Freshman, Sophomore, Junior, or Senior, you are all on the same field, respected together, working toward a common goal. The friendships you build before school even starts is so worth it. Trust me, it sure is nice to know someone else in a big school, 2,400+ students, on the first day and have someone you know with the same lunch period. For those of you who will be new to the school this year, I can assure you that the band students here are AWESOME and the school student body voted BAND one of the best things at O'Connor – a huge compliment! I highly respect my students who truly understand the value of hard work, but especially that we are able to laugh and enjoy ourselves while being successful at the same time. It's a great band and we look forward to having you join us.

Should you decide that marching band is NOT for you, simply email me at Melanie.britton@dvusd.org and I will make sure you are placed in Concert Band or Orchestra – the instrumental music classes that do NOT march before even starts.

*** PLEASE NOTE THAT BAND AUDITIONS ARE THIS MAY 16 (Tuesday) from 6 – 9 pm, May 19 (Friday) from 6-9 pm, and MAY 20th (Saturday) from 9 am – 1 pm. Our normal rehearsal time in the Fall Semester is Monday and Thursday nights from 6 – 9 pm. Attendance ALL 3 DAYS is required, HOWEVER,**

I do know some students will have conflicts, especially Friday, May 19, so SIMPLY NOTIFY ME and we can schedule a makeup time! Also, I will do a “last chance” auditions July 26-28 for those kids who are “on the fence” or new to the area or want a 2nd chance to try again ☺ I WANT YOU TO TRY! I PROMISE YOU WON’T REGRET THE EXPERIENCE! Trust me, there is almost nothing you could ever compare it with...especially if you are named a State Champion!

Our band is full of THE NICEST kids and they will smother your kids with love and acceptance!!!

The audition is to test for coordination and ability to play and march at the same time. In addition, each student selected receives their place in the marching band drill (movement on the field) and that is written over the summer so when they return at the end of JULY we can start learning the drill. It is very difficult to ADD students to the drill after it is written, so it is imperative we create a “CLOSE TO FINAL” roster in May. Bring water and wear tennis shoes to march!

The roster will be posted Monday, May 20th. You can see this by registering for Marching Band NOW on our website at www.eagleprideband.org. Parents need to register themselves as well so we can put you on an email list to keep you informed all summer and your Section Leaders will be available all summer to do fun things with the incoming Freshmen! ☺

On **Wednesday, July 27**, Marching Band will resume SO IF YOU KNOW ANYONE WHO HAS MOVED INTO THE DISTRICT OR ANY OF YOUR FRIENDS WERE TOO SCARED TO TRY OUT IN MAY OR FRIENDS WHO WOULD LIKE TO JOIN COLORGUARD (FLAG LINE), then this is there LAST CHANCE (Percussion will be limited since the Line will be set in May).

BAND CAMP! CAMP PINEROCK, PRESCOTT, AZ

AUGUST 7

1st Day of School

**IT IS ESSENTIAL THAT DISCIPLINE AND STRICT ADHERENCE TO RULES
BE FOLLOWED FROM DAY ONE. THIS WILL INSURE FAIRNESS,
DEDICATION, COMMITMENT AND STRONG WORK ETHIC AS THE
EXPECTATION FOR MEMBERSHIP IN THE MARCHING BAND
PROGRAM!!!**

WHAT IS INVOLVED IN THE MARCHING BAND
“AUDITION”?

EVERYONE, including prior members, will be required to audition for marching band. In order to maintain the high level of competition and discipline needed to be a successful program it is essential that students be completely dedicated and devoted to the program through group practice, private practice, discipline and attendance. We will spend

several days learning music and marching basics. If after this time there are students struggling with reading music, playing music and marching (coordination) or any type of discipline or attendance issues, then marching band may not be the best place at this time.

We will provide several options – depending on the student – so that everyone still has the opportunity to be a part of the music program at O’Connor HS. This is not something to stress about – we are simply making sure everyone is here for the right reasons.

Mrs. Britton will help each student with the schedule change process – if necessary – to avoid having to wait in any lines in the counseling department.

MEETING TIMES AND ATTENDANCE – The Honest Truth

*** Our MAIN rehearsals are on Monday and Thursday evenings from 6:00 pm – 9:00 pm. There will be some IN CLASS rehearsing for marching band outside in the mornings, but that will be intermixed with the concert setting rehearsals. So yes, you will still have some “sweaty” mornings...just not early before school ☺

ATTENDANCE: A HUGE part of your grade is attendance – yes, ESPECIALLY the evening practices. Attendance will be taken ON THE FIELD in your warm up circle PROMPTLY at the scheduled time of rehearsal. After the 5th tardy you risk losing credit for the class or being moved to Concert Band. I just want to be upfront on the importance of being on time. You have to remember there are over 160 other people who are giving up their time to get to practice as well – hey, sports do it every day, and we are most certainly athletes as well. We count on each other. When learning drill you need the people who stand next to you to be there or it makes it harder to march because you line up off of each other. Please consider this as you make the commitment. If you are tardy, and circumstances will occur, you must bring a note signed by your parent, for documentation. Also understand that, if you skip band, but show up to your regular classes, other students in the band who did make the effort to show up don’t like that and resentment starts to build up. Example: Not showing up to night rehearsal because you were “too tired” or needed to finish a project. EVERYONE has to discipline and manage their time. You are a TEAM, and you need to make the effort not only for your grade, but for each other. ***Some of you may be in club sports, other activities, etc., PLEASE CONTACT ME before deciding “no” on band and let’s see what we can work out! ☺ I regularly have students do BOTH Band and Football, Swim, Badminton, etc.**

ALL PERFORMANCES ARE MANDATORY. Missing any performance will result in the dropping of your grade by 2 letter grades. For example, if you have a B and then miss a game or competition, you now have a D. I must receive notification of any absence at least TWO WEEKS prior to an absence for consideration of excusal, with the understanding that **Mrs. Britton reserves the right to excuse the absence or not.** The band needs to be prepared for missing spots (holes) in the marching drill. It makes it difficult to align spacing, which is a huge part of the points we receive in competitions, if a person is missing.

****I DO NOT excuse for jobs, babysitting, birthdays, or anniversaries. I expect to you to plan ahead and around scheduled rehearsals.***

SECTIONALS: All students are REQUIRED to attend a 45 minute sectional once a week after school. Sectional rehearsals are run by the section leader or Adult Instructor where musical details are worked on, marching is rehearsed if necessary, and

memorization of the music is perfected. Each section will decide the best day for their sectional depending on each member's schedules, sports, etc. This is incredibly important time for the rehearsing of details. I DO make exceptions for students involved in sports, BUT the student must make arrangements with their section leader and Mrs. Britton as to when they will make up their missed rehearsals, memorization tests, etc. If you are auditioning for the **PERCUSSION** section it is much more difficult to be in sports as well. Please know **Percussion and Colorguard sectionals** run longer and are held *at least* TWICE a week for 2 or more hours. Most are scheduled prior to the night practice so kids can go home first, eat or do homework.

MONDAY & THURSDAY NIGHT PRACTICES: We will begin Evening practices Thursday, August 10, and will run every Monday night and THURSDAY night until the FINAL State Competition is completed which is November 18, 2017 Practice will run from 6:00 – 9:00 pm. Again, these rehearsals are MANDATORY and are excusable only through prior notification. Sports members ARE allowed to be late in order to have time to eat because I know they come straight from their team practice. The smartest thing to do is form study groups or have your sectionals on these days so you have the other days free.

TRANSPORTATION ISSUES

During sectionals week I will post a list on the band room door where you can sign up to carpool if necessary. I suggest you sign up if you can give rides and if you will need rides – this is especially helpful for West Wing students. This will be discussed at the 1st Band Booster meeting too ☺

BAND PARENTS/ BAND BOOSTERS

Band programs don't work without a band booster program. I am certainly proud to say that I believe our booster organization is **THE BEST!** It is so awesome to see all the parents so involved with their kids (it means a lot to your kids whether they would ever admit that or not), but we ALWAYS NEED HELP!!! There is so much to do that one person cannot possibly handle. There are BOOSTER MEETINGS EVERY MONDAY NIGHT while the kids are practicing so you, as a parent, are never left out of opportunities to volunteer or find out what is happening. Our Booster Coordinator is Mrs. Audra Nuttall and she can be reached at boosters@eagleprideband.org. We need prop builders, fundraising organizers, uniform fitting help, water crew, chaperones, nurses, etc. We own TWO Large Trailers that take our equipment to all competitions so we need people to drive trailers to every performance, etc. On **FRIDAY, JULY 21 at 7:00 pm**, (yes, your kids will get to come in from practice to be with you), I will hold a parent informational meeting to answer questions about band, sign permission slips, and talk about the wonderful band booster organization. **MONDAY, JULY 31 at 7:30 pm** will be the **1st Band Booster Meeting**. Undoubtedly, one of our biggest jobs is raising money to help these kids be able to do all the activities that come along. I want them to leave high school with amazing memories of all the cool things they were able to do by being a member of the band. Regular parent meetings will be on the same night as Monday night practices for the students starting at 7:30 pm. That way, as the meeting finishes up, the kids will be done at the same time and you can go home together.

This really is a great way to have fun WITH the kids!!!

COMMUNICATION: Obviously with an organization this large, communication is key. PARENTS, you will want to get signed up on the website for the regular emails that go out several times a week and also cover what kids need, report times, loads of information, etc. This email will come from our Booster Coordinator, Audra Nuttall, at boosters@eagleprideband.org so you are always updated with information. We have a BAND WEBSITE: www.eagleprideband.org with a running calendar. Our Webmaster does his best to keep it updated. We also have a PRIVATE Facebook page for parents to ask questions or post pictures. Please keep the comments positive and not personal. We are about UPLIFTING each other and the program. I also post “last minute” changes on the page. The students also have a PRIVATE Facebook page and can only be invited to the page by their Section Leaders once they have made the band.. Parents are not to be on the student page. You know how kids are, “Gosh Mom, why did you post that?”...so we give parents their own page. We also have “Twitter” [sdohs_band](https://twitter.com/sdohs_band), “Instagram” [@oceagleprideband](https://www.instagram.com/oceagleprideband), “YouTube Channel” [Eight2FiveEaglePride ☺](https://www.youtube.com/channel/UC825EaglePride) These pages are never to be used to post negative or questionable materials. Students and Parents will lose their privilege to use the pages if this happens. We will also give you the code to “Remind 101” where students/parents sign up through their cell phones to get automatic updates and information through text. The phone numbers remain private.

You may request to be on the **Private Facebook Pages:**

BAND CAMP: August 3-6. For all students who PASS the band audition, and make the Final Roster, Band Camp will be held the first weekend BEFORE school starts in August at Camp Pinerock in Prescott. We will leave Thursday morning and return Sunday late afternoon. This is a weekend that will be one of the most memorable times of high school for the kids. We do major music rehearsing, and aim to learn the entire opener of the marching show where the weather is a little cooler and more bearable. Students who are unable to attend **will not** be written into the opening number. It would be too hard to catch up on all the missed drill. Missing band camp is very hard on kids because they do miss out on so much, especially the friendship bonding time. Students will receive all camp info, what to pack, etc, during Sectional Week. We ask that you download the CODE of CONDUCT, PERMISSION SLIPS and all other paperwork from the website at www.eagleprideband.org. In our attempt to be a “Tech Rich” school we try to eliminate sending home papers with the kids.

PERFORMATHON: Included in Monday, July 31 Rehearsal – more info to follow.

It is so important that you bring your pledge sheets, permission slips and first ½ of FAIR SHARE \$200.00 on this day in order to pay for camp. We will send out information for an online donation system over the summer.

WHAT TO WEAR TO PRACTICE: You MUST ALWAYS WEAR TENNIS SHOES! All shoes must be properly laced and tied. I **do not** allow you to march in the loose/floppy trendy skater shoes that some kids wear these days. **LACE YOUR SHOES TIGHT!!!!** Marching in loose shoes is a liability to you and everyone else’s safety. We move WAY to fast on the field and unlaced or untied shoes will not be tolerated. Imagine how bad you would feel if your shoe caused a broken ankle and cost someone

else their marching season. Make sure your shoes are comfortable because you will get good use out of them. You will learn to march this day and you will never be allowed to wear flip flops, boots, sandals AND, *once school starts, if you ever wear loose fitting shoes, it WILL count against your grade!* Bring a water JUG, labeled with your name as well. You will need your instrument and music. ***Please bring an ADDITIONAL \$5.00 for Subs, snacks and drinks for dinner or a sack dinner and drink if you don't like pizza. I discourage drinking soda – it dehydrates the kids. They will be getting QUITE the work out, so lots of water and Gatorade are provided this night AND at Band Camp.***

FINANCIAL OBLIGATIONS & FAIR SHARE:

Our district has adopted what is called “Fair Share”. It is the amount of money required for each student to pay to be involved in an extracurricular activity. Our band is a Division I (biggest of the bands in the State) and currently Top 5 in the State. The average Fair Share for the Top 10 is upwards of \$1,200.00 (Desert Vista HS, Mesa Mtn. View HS). **The O'Connor HS cost to participate in marching band is \$800.00.** This is the FAIR SHARE amount that ALL STUDENTS must pay to cover the costs incurred. This covers band camp, marching shoes, summer uniform, gloves, custom music and marching band drill, additional staff members, specialists, competition entry fees, costuming and props, gas for transporting the band to competitions (it takes TWO large trailers, which we OWN (YAY!) and 4 busses to transport our band!). **By participating in the Tax Credit Program and/or the Performathon there should be no out of pocket expense to be in the band.** The tax credit program is such an awesome way to have all your child's expenses paid and then get all that money back at tax time. You can write a check for any amount up to \$400, and then you claim that all back at tax time! ALSO, you can have ANY Arizona Resident donate money to the band in any amount up to \$400 (be sure it has their name on the Check or designated BAND if done online). Any additional money you raise through tax credits will go towards your account for future trips, etc – so go for it on the fundraising!!! *If your child does not make marching band you will get a full refund. ****The parent in charge of Finances is Jennifer Scott who can be reached at accounting@eagleprideband.org.*

PERFORMATHON AS A FUNDRAISER: The Performathon can also be used to raise the additional \$\$\$ so, again, your parents are not paying out of pocket.

WHAT YOU'LL RECEIVE:

DRILLMASTERS MARCHING SHOES: \$40.00 – **included** in FAIR SHARE. If your shoes fit from last year you do NOT have to get another pair. But, since you all grow like weeds, make sure they fit so you aren't in pain!

GLOVES: \$4.00 per pair **included** in FAIR SHARE.

SUMMER UNIFORM: \$30.00 **Included** in FAIR SHARE. This is the outfit the kids wear while it is too hot to wear a marching uniform, and then wear it underneath their uniform at performances. It is a specially designed T-Shirt and Shorts and is the student's to keep.

BAND CAMP: \$250.00 included in Fair Share

SPECIALIZED INSTRUCTORS: A band of our size and quality requires a STAFF of amazing Technicians to keep everything in check.

Staff includes: (as of 4/25/17).

Mr. Ryan Salcido – Asst. Director of Bands & Brass Caption Head

Mr. Derek Nellis – Woodwind Caption Head

Mr. and Mrs. Shad and Alison Balot – Percussion Caption Heads

Mr. Dylan Melanson – Asst. Percussion Instructor

Miss Kelsey Mitchell – Colorguard Caption Head

OPEN: 2 Asst. Colorguard Techs

OPEN: 2 Asst. Visual Techs

I CAN'T AFFORD THIS!

PLEASE DON'T STRESS! We do have a “Band Angel” program to help sponsor students who cannot afford the \$800.00, but we do expect in return that those student actively participate in fundraising as way of earning money for their accounts. We will NOT deny a student who cannot afford band.

NOT INCLUDED IN FAIR SHARE:

BLACK SOCKS!!! – Your child needs to have a good supply of **LONG black dress socks**. . .not grey, not short, not white, LONG BLACK SOCKS with NO LOGOS on them! This has become a problem where students expect the band parents to have socks available for them and it has become costly. **BUY YOUR OWN SOCKS!** This year, if you forget socks, your account will be charged \$5.00 per pair when you forget. No student is allowed to march without the proper uniform required – which includes black socks. You will be pulled from the performance and your grade WILL be dropped 2 letter grades. Can you tell I want you to have your own black socks? ☺

LYRE & FLIP FOLDERS: Students need to purchase these on their own at any music store. It is the little metal music holder that attaches to each instrument and the flip folder holds the music – bring your instrument to the music store to make sure it fits. Students will be **required** to have these by the first day of practice. **NOT REQUIRED** for percussion and colorguard! It's best to bring your instrument to the music store to make SURE the Lyre fits your type of instrument.

MEALS BEFORE GAMES: There are lots of food options across the street at the Safeway shopping center. This is where most kids eat.

TRIPS: The band takes a large trip every OTHER year. This is our “off” year to save money for the 2018-2019 school year. Yes, all extra money carries over in your personal account!

FUNDRAISING will always be a part of band and it is expected that students participate. Students MUST participate in fundraisers to get the benefits of those profits

and additional fundraising will be provided to help cover Fair Share or raising extra funds for the trip.

FAIR SHARE DUE DATES:

July 31 - \$200.00

August 21 - \$200.00

September 18 – \$200.00

October 23 - \$200.00

*All are Mondays! We have a secure “black box” where kids turn in \$\$\$ or parents can turn it in at the Booster Meetings! ☺

WHAT IF YOU HAVE ALREADY MADE PLANS FOR SUMMER VACATION THAT CUT INTO THIS WEEK?

Don't Stress! Please contact me by email and we will get you set up with your Section Leaders to go over all that you would miss. We REALLY need you to be back in town by July 26 and NO LATER than July 31. Remember, you DO have to attend Band Camp to be in marching band. Only those who make the Final Roster will go to band camp.

WHERE DO I GO FOR PRACTICE/AUDITIONS?

Find the TALLEST building on WEST side of campus next to the mountain and that is where we will be – it is the PERFORMING ARTS COMPLEX

We have THE BEST percussion instructors! Our Percussion sections is recognized as one of the best in the state! DRUMLINE and FRONTLINE rehearse TOGETHER which brings so much cohesion to the section.

April 27 from 4-6 pm

May 6 from 4-6 pm

May 11 from 4-6 pm

May 18 from 4-6

INCLUDING ALL FULL BAND AUDITION DAYS IN MAY!

DRUMLINE AUDITIONS: ***The actual audition happens MAY 16 with sight reading and then testing students on multiple instruments if necessary. The remaining days are rehearsals!!!** No matter what instrument you end up on you are ESSENTIAL to the showmanship of an O'Connor performance. People come to football games and Competitions JUST to watch our shows which are always different from the style of other bands.

***If you want a place in the Percussion Section – this includes snare, quads, bass, timpani, Marimbas, Xylophones, Glockenspiels, Vibraphones, auxiliary instruments you must attend. Also, if you have electronic skills (mixing, sound, especially keyboard/piano, Bass Guitar...this section is for you....you must attend.** Please understand it is VERY RARE for freshmen to be placed in the marching batterie (snare, quads, bass drums). These are highly competitive positions and require superior counting and coordination skills. Most students spend their 1st year in the frontline learning the skills necessary to be in the batterie the following year, BUT it does happen ☺

*** This section is by far the most difficult and time consuming and students who make this section must be prepared for a big time commitment not only to the band but to additional rehearsals as well** *Confused? DRUMLINE BATTERIE is the snare, quads and bass drums that MARCH on the field. FRONTLINE are the mallet instruments, timpani, field bass drum, chimes and aux percussion, electronics set at the FRONT of the field.*

PERCUSSION DOES MEET OVER THE SUMMER but is NOT Mandatory if on vacation!!!!

Instructors: Alison Brightwell-Ballot and Shad Ballot

*** BIG BONUS – all percussionists who make marching band are placed into 3rd hour Percussion Ensemble so you meet as a class every day!**

*I will answer all questions at the Parent Information Meeting on FRIDAY, JULY 28th at 7:00 pm in the MAIN AUDITORIUM. I highly recommend this meeting to all incoming Freshmen parents and parents new to the band program. I'm looking forward to meeting you all. Our show for next year is ALREADY in the works and kids will even get their music BEFORE the summer starts to start practicing! This is going to be another AWESOME year!
